## A BILL

To amend the Export Administration Act of 1979 to authorize the export to the People's Republic of China of goods and technology with twice the technical level of that allowed for export to other Communist countries.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 That section 5(b) of the Export Administration Act of 1979  
4 (50 U.S.C. App. 2404(b)) is amended—

5 (1) by inserting "(1)" immediately before the first  
6 sentence; and

7 (2) by adding at the end thereof the following new  
8 paragraph:

1           “(2) A department or agency may not recommend denial  
2 of an application to export to the People’s Republic of China  
3 any good or technology subject to an export control under  
4 this section solely on the basis of the technical level of that  
5 good or technology if that technical level does not exceed  
6 twice the technical level that department or agency would  
7 approve for export of that good or technology to a country to  
8 which exports of that good or technology are subject to the  
9 strictest controls under this section. The preceding sentence  
10 shall not apply to exports of any goods or technology—

11           “(A) which are intended for a nuclear related end-  
12 use or end-user;

13           “(B) which have been identified pursuant to sec-  
14 tion 309(c) of the Nuclear Non-Proliferation Act of  
15 1978 as items which could, if used for purposes other  
16 than those for which the export is intended, be of sig-  
17 nificance for nuclear explosive purposes; or

18           “(C) which are otherwise subject to the proce-  
19 dures established pursuant to section 309(c) of the Nu-  
20 clear Non-Proliferation Act of 1978.”.
